Principal Wilson's Corner

Dear Parents/Guardians,

I am pleased to report that the 2018-2019 school year has been amazing so far! We have accomplished many milestones in just four months since school has been in session. AZCP Dragons have accomplished many great things. We had our first awards ceremony for Block 1 which was highly successful. Students received awards for attendance and academics. Teachers have been selecting Students of the Block and Students have been selecting Teachers of the Block. The recipient's pictures are featured on the main foyer bulletin board. We have hosted Doughnuts With the Office as well as our annual PAT meeting and wanted to thank all the parents who attended. We also had a Champions Connect day where both schools AZCP and Vector were able to do fun activities with all our sports teams. The kids loved it and we had great feedback. This really helped to build a bridge with our older and younger students.

Keep up your grades and make good choices each day. Both school and home should encourage our students to finish the second block strong. Students: make sure you are communicating with your teachers as they are here to help you flourish.

With thanks,
Principal Wilson
